

CCS F.L.I.G.H.T. Class Descriptions

Revised 3/17/10

(Arranged Alphabetically)

Amazing Authors Students will write and illustrate their very own works of literature!

(1-3) Teacher: Beard Supply Fee: \$5 Session I

Around the World in 15 Days Where in the world is my teacher? Learn geography through reading, writing, building, and tasting "around the world."

(1-2) Teacher: Hays Supply Fee: none Session I

Art-O-Rama Discover your artistic side. This course will introduce the young artist to many different mediums and techniques. We will use what we learn to create unique and original masterpieces!

(4-6) Teacher: Dalton Supply Fee: \$10 Session I

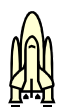

Beefy Basketball Learn, improve, and perfect the basketball basics. Learn the moves to get your shot off any-time you want. Experience drills that will take your game to the next level. That's no beef!!

(4-6) Teacher: Jones Supply Fee: none Session II

Beginning Comp./Keyboarding Get those fingers flying! Learn about computers, word processing, and develop and sharpen your keyboarding skill in this fun class.

(2-3) Teacher: Beard Supply Fee: none Session I

Blast-off! So you want to be an astronaut? Students will enjoy taking flight in this class! Learn the science behind rocketry as you construct your own model rocket and then launch it! Student must be present all three weeks.

(4-6) Teacher: Kerr Supply Fee: \$15 Session I

CCS Survivor No one gets voted off in our tribal council, but everyone has fun as the class divides into two teams. Each team comes up with a name and designs a flag then participates in a daily challenge. Challenges will be mental, physical, and fun! Which team will be the survivor?

(4-6) Teacher: Dalton Supply Fee: \$8 Session I

Cheerleading Basics Have fun learning basic fundamentals of cheerleading. Students will learn motions, cheers, chants, and stunts. Wear tennis shoes and comfortable clothes!

(1-3) Teacher: Rice Supply Fee: \$5 Session II

Chess and More Come challenge your brain and your opponent as you learn strategies to play chess and checkers.

(4-6) Teacher: Beard Supply Fee: none Session II

Clay If I May Get a solid foundation in working with clay including pinch, slab and coil creations as well as different glazing techniques. The supply fee includes all clay, glazes, tools and kiln firing time. Students must be present all three weeks.

(4-6) Teacher: Kerr Supply Fee: \$15 Session I

Dance Take fun "steps" to become a better dancer!

(4-6) Teacher: J. Woody Supply Fee: none Session I

Dare to Dance Have fun learning basic dance technique and learn a routine to perform at the end of FLIGHT.

(1-3) Teacher: Rice Supply Fee: none Session II

CCS F.L.I.G.H.T. Class Descriptions

Revised 3/17/10

Dots, Doodles, and Drawings Learn how an artist sees the world and draw like never before! Students will be taught using different mediums including pens, mixed media collage, and even a sculpture.

(1-3) Teacher: A. Weiss Supply Fee: \$5 Session II

Drawing Learn and explore the basics of drawing. See God's creative hand in the order and design around you.

(1-3) (4-6) Teacher: Shrader Supply Fee: \$5 Session I & II

Exploring French - Come and explore French this summer. We will learn a lot of fun vocabulary, phrases, songs, and read books that French children love. We will even try some French foods!

(1-3) Teacher: Cossette Supply Fee: \$5 Session II

Field Games Stretch your skills this summer! Start your day by practicing some of your favorite outside games!

(1-3; Session II) (4-6; Session I) Teacher: Ahern Supply Fee: none

Games Around the World As we play famous games played in other countries, one thing we will be sure to discover is that no matter where you live, kids LOVE to play games!

(3-6) Teacher: Kramer Supply Fee: \$5 Session II

Guitar Basics Students will learn several chords, strumming patterns, simple songs and basic music theory concepts. Bring your own guitar!

(4-6) Teacher: S. Norris Supply Fee: none Session I

History: It's Alive! Calling all adventurers! Experience the culture of the Egyptian Dynasties, the Roman forum, and the oral and written traditions of the Vikings. Students will learn history, culture, battles, and mythology through Jesus' lenses without ever leaving the classroom.

(3-6) Teacher: A. Weiss Supply Fee: \$5 Session II

Indoor Games Stay cool but stay active! Lots of gross motor competitive games with a focus on fun and sportsmanship! Wear tennis shoes!

(1-3) Teacher: Ahern Supply Fee: none Session I & II

Marvelous Math Start your student off on the right foot with math reinforcement! This class will help us sharpen our skills with grade level appropriate games, facts, and fun!

(1-3) Teacher: Hays Supply Fee: none Session I

Math Mania Reinforcement of various math skills through a variety of games including addition, subtraction and multiplication math facts, logic, telling time, and money.

(3-5) Teacher: Charlton Supply Fee: none Session I

Mind Your Manners! Learn etiquette and life skills that allow you to always put your best foot forward. Which fork do I use...How do I answer the phone...How do I have an interesting conversation? Always impress and be comfortable in any situation with good manners.

(4-6) Teacher: Sipe Supply Fee: \$8 Session II

CCS F.L.I.G.H.T. Class Descriptions

Revised 3/17/10

Music and Arts This class will survey fundamental music concepts, and explore how music is connected to visual art, drama and movement. Sample activities include: painting and moving to contrasting styles of music, singing games, circle dances, making instruments, bringing children's literature to life by adding drama and music, and much more!

(1-3) Teacher: S. Norris Supply Fee: \$5 Session I

Performing with Puppets Want to be a puppeteer? Learn how to properly handle and use puppets, tape scripts, and perform puppet shows in front of a live audience! Note: Absences from class may result in loss of part in performing for audiences.

(3-6) Teacher: Charlton Supply Fee: \$5 Session I

Praying Around the World - In this class we will be learning about various countries and cultures. We will also learn about people groups in these countries that do not yet know Jesus. We will be praying for these groups and missionaries in these areas.

(4-6) Teacher: Cossette Supply Fee: none Session II

Read, Write, Rejoice Imaginations to the ready! Explore great books and then write some of your own! Students will use a variety of genres and games to find success and adventures in reading and writing!

(1-3) Teacher: Sipe Supply Fee: \$5 Session I

Run Faster, Jump Higher Guaranteed! Do you want to improve your speed? Do you want to soar above the rest? A combination of strength training and plyometric drills will give you the explosiveness that leaves others behind. Athletes receive a take home run and jump manual. This class is not for the weak-hearted!

(5-6) Teacher: Jones Supply Fee: \$5 Session II

Sew Fun! Try your hand at stitching on a variety of materials. Create a pin cushion and more!

(4-6) Teacher: Porter Supply Fee: none Session II

Spanish Fiesta Learn Spanish while having fun with songs and crafts. In this basic class, students will learn greetings, colors, numbers, family members, fruits, animals, and clothing. Students will have fun experimenting with the language while learning some Spanish traditions and enjoying Spanish foods as well!

(1-3) Teacher: Sipe Supply Fee: \$5 Session I & II

Summer with Seuss In this class, students will read tons of Dr. Seuss books and learn about the author! They will make their own Dr. Seuss book and even eat green eggs and ham!

(1-3) Teacher: N. Norris Supply Fee: \$5 Session II

Up, Up, and Away Launch rockets, build and fly paper airplanes, and create and drop mini-parachutes!

(4-6) Teacher: Beard Supply Fee: \$15 Session II

Word Up! "What's the point?" you may ask — to learn more about Word processing and PowerPoint, of course!

(4-6) Teacher: Beard Supply Fee: none Session I & II
