

## **CCS Summer School Program Discipline Agreement**

Discipline expectations during the summer at CCS mirror our student expectations throughout the regular school year. The purposes of discipline at CCS are as follows:

1. To develop and encourage Christian character and behavior patterns.
2. To maintain an optimum learning environment.
3. To provide safety for all students.
4. To enforce CCS rules for the good of the whole student body.
5. To provide enforcement of both governmental and moral laws.

Unacceptable behavior during our summer program will be handled on two levels.

**Level 1:** These offenses would include normal classroom type problems which will be handled by the teacher or supervisor of the class. These would include problems such as excessive talking, disobeying directions, and any other action that would disturb the ability of the teacher to instruct or other students to learn and enjoy the class. Teachers will have the discretion to respond to these discipline cases in ways that match the child's maturity level, including time out, withdrawal of privileges, etc.

**Level 2:** These offenses would include more serious behavior problems and/or a continuation of Level 1 offenses after warnings and consequences. This could include attitude problems such as a lack of respect for authority, others, and/or property, fighting, profanity, talking back, verbally abusing others, and lack of self control that is harmful to the classroom environment and/or to other students. Level 2 offenses will be handled by the Summer School Director. Parents will be contacted for Level 2 offenses and consequences will be determined as specified below.

### **Level 2 Consequences:**

- First offense: student removed from the environment and a call made to parents. Parent meeting with Summer School Director prior to student returning to classes
- Second offense: parent meeting with CCS Principal; 1 day suspension from the program
- Third offense: parent meeting with CCS Principal; removal from the program

**No Tolerance Policy:** Behavior that will not be tolerated in our Summer Program are as follows: threatening or severely endangering another's safety, property damage, possession of illegal weapons or substances, leaving the school grounds without permission, and/or repeated disobedience or defiance of school rules or authorities. These offenses will be handled by the CCS Principal, and consequences will result in the immediate removal of the student from our summer program.
