

First Aid Product Release

Summer 2010

Casas Christian School

10801 N La Cholla
Tucson, AZ 85742
(520) 297-0922

Dear Parents,

Occasionally your child may require first aid during the school day. For these occasions, our health office maintains a limited supply of first aid products. Please complete the following form and return it with registration materials.

Child's Name: _____ Phone: _____

Birth Date: _____ Grade (Fall 2010): _____

I/we give permission for the above named student to have first aid administered when deemed necessary. ***Please indicate with your initials any/all items your child may receive.***

<i>Initial below</i>		<i>Initial below</i>	
	Bacitracin Ointment (<i>antibiotic ointment for abrasions</i>)		Petroleum Jelly (<i>for chapped or dry lips</i>)
	Benadryl Cream/Gel (<i>itching</i>)		Sterile Eye Wash (<i>Boric acid, Purified water, Sodium Borate and Sodium Chloride for sand in eye, etc</i>)
	Benzalkonium Chloride (<i>antiseptic for abrasions</i>)		Sunblock Lotion (<i>In the event a child failed to provide his own lotion</i>)

I authorize the Health Aide or individual designated by the Principal to be my agent to administer to my child the above noted first aid products.

Parent's Name: _____ Date: _____

Parent's Signature: _____

Please Note: No medication may be given without parental consent and/or a doctor's order (if applicable). Please contact the summer program office if your child will need to receive medication during the program day.
