## Casas Christian School Summer Program

Welcome to the summer program at Casas Christian School! We look forward to meeting you and your child. Our desire is to offer a summer program that feels different from the routine of the regular school year. We want to enjoy these summer experiences with a fresh perspective and celebrate all that we discover together in a safe and nurturing environment that honors God and seeks Jesus. Our theme revolves around a passage in the Bible, Isaiah 40:31 "...but those who hope in the Lord will renew their strength. They will soar on wings like eagles."

If you have any questions, please email the school office at [SummerFlight@casaschristianschool.com](mailto:SummerFlight@casaschristianschool.com) or call (520) 297-0922. Thank you for considering this program!

Sincerely,  
 The FLIGHT Team

*Joe Beard, FLIGHT Director*  
*Shirley Pepe, Registrar*

At Casas Christian School F.L.I.G.H.T., we understand the developmental needs of our middle schoolers and have designed a program specifically with their needs and desires in mind. Focusing on a community-minded 21<sup>st</sup> century readiness approach, our middle school students will experience a great deal of flexibility and autonomy in designing their summer experience.

Whether students enroll in Maker Nation, FLIGHT Athletes, or Creative Design, there will be opportunity to explore the other courses after each week ends. Each class has been created with our young adults in mind that they might grow in knowledge and have an incredible time in the process.

Our middle school students will also experience a higher level of independence compared to their younger F.L.I.G.H.T. counterparts. Along with separate class, Chapel, and lunch schedules, each morning will include a “Chillax” time. The goal of this period is to allow students to casually grow in their new F.L.I.G.H.T. community over conversations and smoothies. Our desire is to meet students’ summer programming needs while still providing fun, engaging, developmentally appropriate learning opportunities that they will remember long after the summer ends!

## Playground Rules

### Summer 2018

Playground Rules: These rules have been developed to help ensure the safety of the students at CCS. We are trying to instill self-discipline and responsibility in them by making them accountable for their actions. These rules may not include everything that could come up relative to student safety or conduct, so they should not be interpreted in that way. Playground staff and teachers will make the final decision regarding any questionable activities not mentioned in this document. These playground rules apply to ALL recess times and Extended Care hours.

1. Students need to use self-control while playing, and line up immediately when the whistle is blown by a teacher/supervisor.
2. Everyone is expected to show courtesy and respect to others and their property at all times. Students need to refer to others by the name they wish to be called and be honest and trustworthy.
3. Harassment of any type (bullying, threatening, name-calling, derogatory comments, unnecessary or offensive touching) will not be tolerated. Anyone who exhibits these behaviors should be reported to an adult and disciplined per school policy.
4. Any toy brought from home is the student's responsibility. If it creates a problem, the toy will be put away or held by the teacher until the end of the day. Any type of toy that would be dangerous in our playground area will be confiscated. Toys or items that are not appropriate for our playground include, but are not limited to: dolls of any kind, toys with "evil" powers, any type of play or real weapon, nail polish and make-up (K-5), all electronic devices, bats or hardballs.
5. Electronic Equipment: Cell phones must remain off and unseen both during the school day and after school. All electronic gaming and music devices are to be left at home so that they are not lost, damaged, or become an unnecessary distraction for other students. If a student needs to contact a parent he/she must get permission from an extended care staff person. Students may only use phones to contact parents at the end of the school day.
6. Any type of aggressive activity or game involving fighting, hitting, pushing, tackling, wrestling, kicking others, tripping, war-type games or play-fighting, throwing balls or objects at others will not be allowed (with the exception of play within a game). Students must use a foam ball when playing any form of ball tag or dodge ball. Ball tag is not permitted on the climbing equipment.
7. Games such as soccer, kickball, basketball, etc. are to be played according to the traditional rules of that particular game. Running through or disrupting games are not allowed. Games must not be played with unnecessary roughness or tackling. All students will treat one another fairly and appropriately and will accept the decisions of the supervisors.
8. Jumping off of or playing tag on the equipment is not permitted. Students should not play tag under the ramada. Students may not push or pull others while on equipment. Students may not stand on, run across, or jump off the tables.
9. Ga-Ga Ball Pit:
  - Players hit the ball with their hands only and may not carry or throw the ball - it must be hit with open hand or fist.
  - Any player who is touched by the ball either directly or by a rebound off the wall is "out", then must exit the pit.
  - Do not sit on or hop over the wall. Do not sit or lay down in the Ga-Ga Pit.

**10. Swings:**

- Running through or playing near moving swings is not permitted.
- Only one person is allowed on a swing at a time, and he or she must be properly seated.
- Jumping off swings and swinging side to side is not allowed.
- Do not twist the swing chains.
- Do not "save" swings for friends.
- No "cherry drops" or "underdogs" or hanging from swing chains.
- No one is allowed to climb up the swing set legs.

**11. Red Jungle Gym:**

- Do not hang upside down on the two highest horizontal bars.
- Do not sit for long periods of time on top of the ladder.
- Student's hands and feet are to be on the fireman's pole while sliding down.
- No standing or walking on top of bars.

**12. Wallcano:**

- Only 4 students may be on the top platform at one time.
- Students may not jump off the top or sides of the Wallcano.

**13. Wilderness Hideout:**

- No sitting on or jumping off of the top log tunnel.
- No sitting on or jumping off of the taller light green bars (nearest to the climbing wall).

**14.** No one is allowed outside the fenced area without permission. If a ball goes over a fence, one child may retrieve the ball with the teacher's permission and observation. Students may not climb or jump over fences.

**15.** Students are to acquire permission to leave the playground to use the bathroom. They will be sent in pairs of the same gender. Staff member will ensure students return in adequate time.

**16.** No glass containers are to be brought to school.

**17.** Animals may not be brought to the school playground.

**18.** Any student who is eating within the playground area must be seated (to avoid choking) at a picnic table and must properly dispose of any trash. All middle school students need to eat their lunches at a table, whether that is in the lunchroom, on the food court, or on the playground.

**19.** The ramada misters may be turned on by CCS personnel only.

**20.** Be cautious near the water fountain; check for bees, and do not leave the water fountain running. Water fights or digging near the water fountain are not permitted.

My child and I have discussed these playground rules. My child agrees to follow them.

## CCS Summer School Program Discipline Agreement - 2018

Discipline expectations during the summer at CCS mirror our student expectations throughout the regular school year. The purposes of discipline at CCS are as follows:

1. To develop and encourage Christian character and behavior patterns.
2. To maintain an optimum learning environment.
3. To provide safety for all students.
4. To enforce CCS rules for the good of the whole student body.
5. To provide enforcement of both governmental and moral laws.

Unacceptable behavior during our summer program will be handled on two levels.

**Level 1:** These offenses would include normal classroom type problems which will be handled by the teacher or supervisor of the class. These would include problems such as excessive talking, disobeying directions, and any other action that would disturb the ability of the teacher to instruct or other students to learn and enjoy the class. Teachers will have the discretion to respond to these discipline cases in ways that match the child's maturity level, including time out, withdrawal of privileges, etc.

**Level 2:** These offenses would include more serious behavior problems and/or a continuation of Level 1 offenses after warnings and consequences. This could include attitude problems such as a lack of respect for authority, others, and/or property, fighting, profanity, talking back, verbally abusing others, bullying, and lack of self control that is harmful to the classroom environment and/or to other students. Level 2 offenses will be handled by the FLIGHT Director and/or CCS Principal. Parents will be contacted for Level 2 offenses and consequences will be determined as specified below.

**Level 2 Consequences:**

- First offense: Student removed from the environment and a call made to parents.
- Second offense: Parent meeting with FLIGHT Director and/or CCS Principal; 1 day suspension from the program.
- Third offense: Parent meeting with FLIGHT Director and/or CCS Principal; the student must withdraw from the program.

**Zero Tolerance Policy:** Behaviors that will not be tolerated in our Summer Program are as follows: threatening or severely endangering another's safety, property damage, possession of illegal weapons or substances, leaving the school grounds without permission, bullying, repeated disobedience or defiance of school rules or authorities. These offenses will be handled by the FLIGHT Director and/or CCS Principal, and consequences will result in the immediate withdrawal from our summer program.
